Advanced Search

Advanced searches look for keywords or phrases in specific areas of the catalog, providing you greater granularity to locating the training you need.

The screenshot shows the 'Advanced Search' interface within a 'Catalog' system. At the top left, the word 'Catalog' is displayed in blue. To its right is a search input field and a yellow 'Go' button. Further right is a link for 'Advanced Search' with a help icon. Below this is a row of checkboxes: 'Curricula' (checked), 'Instructor-Led' (checked), 'Online' (checked), 'Blended' (checked), 'Other' (checked), 'Exact Phrase' (unchecked), and 'Search All Languages' (unchecked). The main section is titled 'Advanced Catalog Search' and is divided into two columns. The left column, 'Search Options', contains radio buttons for 'All' (selected), 'Only Items', 'Curricula', and 'Only Offerings', and checkboxes for 'Instructor-Led', 'Online', 'Blended', and 'Other (Select one or more)'. The right column contains search criteria: 'Title', 'Description', 'ID', 'Keywords', 'Subject Area', 'Delivery Method', 'Source', and 'Competency'. Each criterion has a 'Contains' dropdown menu and a text input field. To the right of the 'Subject Area', 'Delivery Method', and 'Source' fields are 'Select' links. At the bottom of the right column is a checkbox for 'Search All Languages (Applies to Title, Description, and Subject Area)'. A yellow 'Search' button is located at the bottom right of the main search area.
